

EMILY TARTT

Summerville, South Carolina, United States, 843- 817- 1062, emilytartt0@gmail.com

SUMMARY

Multiplatform broadcast producer with hands-on experience in live show production, rundown building, and scriptwriting for fast-paced news environments. Leverages data analysis to uncover trends, add context, and strengthen editorial decisions, using insights to drive clearer, more compelling stories and scripts. Skilled in control room operations, backtiming, breaking news coverage, and multimedia storytelling.

KEY SKILLS

Cuez	Breaking News Coverage
ENPS	Adobe Premiere Pro
Scriptwriting & Copy Editing	Edius
Live Show & Control Room Operations	Interview Coordination

WORK EXPERIENCE

Jul 2025 — Present	Part-Time Producer, WLTX	Columbia, South Carolina
	Produce newscasts for the 5:00 p.m. and 7:00 p.m. shows in a fast-paced newsroom environment. Build, execute, and adjust rundowns using ENPS to maintain accurate timing and smooth transitions. Write, edit, and stack 200+ scripts, including anchor reads, teases, and transitions. Managed continuous extreme weather coverage, coordinating multiple live hits and real-time rundown adjustments. Make real-time editorial and script adjustments during breaking and developing news coverage.	
Jun 2024 — Aug 2024	Producing Intern, WLTX	Columbia, South Carolina
	Assisted in producing the 5 pm and 6 pm. newscast. Wrote and edited scripts for 100+ scripts for our daily 'Health Watch' segment	
Aug 2024 — Oct 2024	Student Producer, Carolina Insider	Columbia, South Carolina
	Produced and executed live student newscasts, managing scripts, show timing, and control room operations. Produced breaking news coverage of the presidential election, local elections, the U.S. port strike, and Hurricane Helene, coordinating live elements and real-time adjustments.
